Re: Living Stone Painting Inc.

Living Stone Painting Inc. has performed painting for the Kingston & Frontenac Housing Corporation in two of our apartment buildings under myself as the Director of Assets & Development. The construction and administrative team at Living Stone Painting Inc. have proven to be very professional, conscientious, and cooperative in their day to day business dealings.

They have worked together with the residents and staff, while working on our properties, in a very productive and harmonious manner. Our project with Living Stone Painting Inc. has been completed in less time than what was scheduled and with no disruption to our tenants. The end product met or exceeded my expectations

I would not hesitate to use Living Stone Painting Inc. on my next project.

If you require any further information, feel free to contact me at the above number.

Sincerely,

Scott VanderSchoor, CCCA, CIHCM
Director of Assets & Development
Kingston & Frontenac Housing Corporation
